BCP

SPLIT DEPOSIT ABSOLUTE RETURN BOND 2

This innovative bond offers investors a two tier investment package. 25% is placed in a 2 year high yield deposit account which assures investors of a 15% gross gain (7.2% AER). 75% is invested in a 5 year 3 month Capital Secure Absolute Return Bond.

HOW THE BOND WORKS

2 YEAR HIGH YIELD DEPOSIT ACCOUNT

25% of the BCP Split Deposit Absolute Return Bond 2 is placed in a 2 year deposit account (the "High Yield Deposit Account") which assures investors of 100% capital security provided by Bank of Ireland, and assures investors of a 15% gross gain (7.2% AER) on the deposit element.

At the end of 2 years, on 29th December 2014, 25% of the investment amount along with deposit interest of 15% gross (7.2% AER) will be paid out to investors. Where applicable, interest will be paid after deduction of Deposit Interest Retention Tax (DIRT) currently 33%.

ABSOLUTE RETURN BOND

75% is invested in the Absolute Return Bond. At the end of the 5 year 3 month term, the percentage Performance of the Fund is calculated. This percentage, if positive, will then be added to the capital secure amount.

In order to protect the Performance of the Fund from short-term volatility towards the end of the 5 year 3 month Term, the Final Price will reflect the average price of the Fund on a monthly basis over the final 9 months of the term. The effect of averaging is to protect returns in a falling market but conversely it may restrict growth in a rising market. Your money is not invested in the Fund, and therefore the investment does not benefit from any dividends paid by the Fund.

The **BCP Split Deposit Absolute Return Bond 2** is a unique investment opportunity offering investors access to the performance of a fund which has a proven track record since 1989 of producing positive investment returns in all market conditions, with the additional benefit of **100% capital security** provided by Bank of Ireland. The Bond will pay investors 100% of the Performance in the **Carmignac Patrimoine Fund** over the 5 year 3 month investment Term. **There is no limit to the maximum return that can be earned from the Bond.**

▲ EXAMPLE RETURN

If the Performance of the Carmignac Patrimoine Fund is 70% over the Term of the Bond, the return to investors will be 100% of the remaining investment amount plus 70% giving a gross return of 70%, equivalent to 13.3% per annum (CAR 10.6%) (46.9% after DIRT at 33%).

▲ 110 ABSOLUTE RETURN BOND 2 – NO HIGH YIELD DEPOSIT ACCOUNT PORTION

Investors can elect not to split their investment 25% into the High Yield Deposit Account and 75% to the Absolute Return Bond. Instead, they can choose to allocate 100% of their capital to a 5 year 3 month 110 Absolute Return Bond 2. Investors will receive a higher participation rate of 110% in this version. This means that at the end of the 5 year 3 month Term, the Bond will pay 100% of their original investment amount plus 110% of the Performance achieved by the Carmignac Patrimoine Fund over the term. For example, again if the Performance of the Carmignac Patrimoine Fund is 70% over the term of the Bond, the return to investors will be 100% of the original capital invested plus 77% (70% x 110%) giving a gross return of 77%, equivalent to 14.7% per annum (CAR 11.5%) (51.6% after DIRT at 33%).

17. DEPOSIT GUARANTEE SCHEME

This product is deposit based and Bank of Ireland is the underlying deposit taker. The provisions of the Irish Deposit Guarantee Scheme (DGS) may apply, dependent on your circumstances. Details of the DGS are available at www.nca.ie. As capital security only applies at maturity, the amount recoverable under the DGS prior to maturity may be more or less than the remaining capital invested, and will principally depend on the time left to maturity, the prevailing interest rates at the time, and the value of the underlying assets.
